All interested players should contact Emma Ellis with any inquiries on 67797616 or email eellis9@une.edu.au. Any level of experience is welcome, especially new players.

Head Lice

It has been brought to our attention there are some cases of head lice. Would parents please check their children's hair for any signs of the little critters and if necessary treat this weekend. If everyone can do this at the same time we should get on top of the problem straight away.
