Student Lunches

As the weather is quickly cooling off, a quick reminder about routines for hot lunches.

Children wishing to have hot lunches on cold days may bring food wrapped in alfoil and named. This is available each day. Children place food on the coffee table in the canteen at the beginning of morning tea.

Children wishing to have hot food that cannot be heated in the oven such as noodles or soups may bring it in a thermos ready to eat.

On Thursday a staff member will be able to microwave food that cannot be placed in a thermos or in the oven. Children will need to bring it in suitable packaging to be placed in the microwave. Parents must consider how children will manage the food when it is hot. Children who need to have food microwaved will place it on the coffee table in the canteen at the beginning of morning tea so parents must ensure it has their name on it.

Please ensure students come to school with warm clothing each day, even if the day starts off warm and sunny it can quickly turn cold and wet.
