### Pirate Dress Up Day

All Chandler Public School students, parents and community members are invited to attend the Pirate Dress Up Day on Thursday 17 June.

Everyone should come dressed as a pirate. Loose baggy shirt and patched trousers with a pirate hat and bandanna is ideal. No good clothes please as we will play some pirate games which maybe a bit messy.

We will provide pirate food – dry bread, hard biscuits and water. But I am sure everyone will still want lunch! A BBQ is planned for 12.30pm.

### Musica Viva

On Friday 25 June Musica Viva will be visiting the school. The cost is \$4.50 per child with the third child in a family free.

Please send in \$4.50 per child in a marked envelope.

### Transition 2010

Next Term there will be a transition program for all budding 2011 Kindergarten children starting at Chandler Public School next year. Transition will start during the first week of Term 3 on Thursday 22 July from 9.00 am until 3.00 pm. Transition will then be each Tuesday and Thursday.

**There will not be any Transition during the week of the Canberra Excursion, 16 to 23 August.**

If you know of anyone who would like their child to participate in the program please phone the school on 67781335.

### Cold Weather

The cold weather has arrived. Wed would like to request that all children wear a jumper and a jacket. This enables them to wear their jumper in the classroom and pop their jacket on for outside.

The students have been enjoying a hot Milo on the very cold days.

### Parent Classroom Helper

Michelle Neild has begun an intensive computer workshop with our students. The focus is currently on power point presentations.

All students have written and illustrated a story that they have made into a powerpoint presentation on Pirates for the 1 July. We are looking forward to sharing them with the community.

### Clever Climate Energy Savers (CCES)

The students at Chandler Public School are currently participating in the CCES program. Mrs Julie Kennelly visited us last Tuesday and assisted with calculating our energy usage of our appliances. We learnt some very interesting information and look forward to applying this to reduce our impact on the environment.

### Music Lessons

There are still some families with outstanding music fees for Term 1. Please see the attached invoice.

### Joke of the Week

**Why do bears have fur coats ?**  
Because they'd look stupid in anoraks !

### Quote of the Week

'You don't stop laughing because you grow old. You grow old because you stop laughing'.
